COMPANY OVERVIEW

Nova Tech Solutions LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering agile, secure IT solutions to federal agencies — with a primary focus on the **Department of Veterans Affairs Office of Information & Technology (VA OIT)**, the Department of Defense, and the Intelligence Community. Founded by a USMC combat veteran with 20+ years of national security operations, we bring an operator's understanding of mission-critical requirements to every engagement. Our lean delivery model ensures rapid execution, reduced overhead, and measurable outcomes.

CORE COMPETENCIES

- Custom Software Development & Modernization**
Full-stack application development, API integration, legacy migration
- IT Systems Integration & Cloud Migration**
AWS GovCloud, Azure Gov, hybrid-cloud architecture
- Data Analytics & Business Intelligence**
Dashboards, reporting, data warehousing, decision-support tools
- Cybersecurity & Compliance**
FISMA, FedRAMP, CMMC, RMF, continuous ATO support
- Agile / DevSecOps Delivery**
CI/CD pipelines, sprint-based delivery, automated testing
- Legacy System Modernization**
Mainframe-to-cloud, tech-debt reduction, microservices refactoring

WHY NOVA TECH

- ★ **SDVOSB** with cleared personnel experienced in classified national security environments
- ★ **20+ years** of national security experience across DOD, DOS, and the Intel Community
- ★ **Lean & agile** delivery — small team, fast execution, lower overhead, higher value
- ★ **Operator perspective** — deep understanding of federal mission requirements from the ground level

PRINCIPAL EXPERIENCE

As a newly formed entity, Nova Tech Solutions draws on the extensive career of its founder and principal, **Paul Brady**, whose 20+ years of service span military, law enforcement, private military contracting, and federal security operations in classified national security environments:

- USMC — Combat Veteran
- LAPD — Law Enforcement
- Blackwater / Xe
- Triple Canopy
- DynCorp International
- State Dept — Diplomatic Security
- DIA Support Operations
- Iraq & Afghanistan — Multiple Deployments
